Join NPYT through Heart of Hope, our UK partner

Sponsoring a child is a very rewarding way of helping some of the most vulnerable children in the world. Your help, whether a one off donation, regular contribution or child sponsorship, will:

- enable children access to sufficient food avoiding malnutrition and stunting
- offer access to education and, therefore, a brighter future, to those who would otherwise not be able to access education
- provide shelter to those who would otherwise sleep rough and be exposed to all kinds of abuses
- provide children arrested for being 'in need of care and protection' (a criminal offence in Kenya regularly used to intimidate street children) a safe haven bypassing the criminal justice system
- give hope to families in areas where hope is in pretty short supply
